WWMD CELEBRATES WOMEN'S HISTORY MONTH

According to womenshistory.org every year, March is designated Women's History Month by presidential proclamation. The month is set aside to honor women's contributions in American history.

Did You Know? Women's History Month started as Women's History Week...Women's History Month began as a local celebration in Santa Rosa, California. The Education Task Force of the Sonoma County (California) Commission on the Status of Women planned and executed a "Women's History Week" celebration in 1978. The organizers selected the week of March 8 to correspond with International Women's Day. The movement spread across the country as other communities initiated their own Women's History Week celebrations the following year.

In February 1980, President Jimmy Carter issued the first Presidential Proclamation declaring the Week of March 8th 1980 as National Women's History Week.

A Message from our CEO

Greetings!

It has been a year. January 11, 2024 marked one year since the official start of What Would Marcus Do. As we hit the ground running with our first event in April 2023 until December 2023 we were able to reach and provide resources to 1,500 families. 2023 had many challenges and victories for us an organization, personally and maybe even you. I've learned to be grateful for the ups in life as much as the downs in life because overcoming adversity is what builds character. An attitude of gratitude even in the most difficult situation can show you the ceiling that once was will always become the floor to your next journey.

I'm grateful of my family as well as the WWMD teams cause without us all there would be no victories to celebrate as an organization. Our supporters believing in us wither it be from donations, volunteering, sharing, subscribing, liking, and or following; your belief in us has made this great cause all worthwhile.

I am even overwhelming grateful for all the individuals giving us the opportunity to help them in any way shape or form we can. We will continue to train up the next generation to continue to carry this vision and Lord willing we will continue to help the Greater Hilltop Area in an even bigger way.

We acknowledge that the strength behind our determination and motivation to help those in need and to keep Marcus' name alive, is a strength beyond human abilities. This strength comes from God and Him alone for that I am grateful and determined to push forward.

As we change seasons to spring, I challenge you to find the beauty in your current state. If you're reading this while everything might not be perfect for you there is a beauty in your life to cause gratefulness. For me this gratefulness translates into a drive to continue to help those of this great area we call home – The Hilltop.

Know that if you need us, we are here. If you want to help serve, we are here. If you want to donate to a worthy cause, we are here. Never forget that we are Here for YOU!

Serving with a SMILE,

Mark E. Payne Jr.

President & CEO

OUR SERVICES

We support our community with year around services. Our goal is to simply meet their basic needs with a smile.

In doing so we believe we are able to be a beacon of hope to those in need.

While our focus is predominantly on the Greater Hilltop Area we service all areas of central Ohio.

Services we provide includes but are not limited to:

- Resource Navigation
- Neighborhood Pop ups
- Neighborhood Clean ups
- Laundry Services
- The Marcus M. Payne Scholarship
- Holiday Drives
- M.P. Empowerment Academy

OUR WHY...

On September 11, 2021 - As the world paid tribute to the attack on 9/11 our family suffered the major loss of our Marcus. He was robbed and gunned down in Victorian Village making him the 141st Homicide of 2021 in Central Ohio.

While we mourn his loss, we also celebrate his life, his love for family, friends, and providing support to those in need. Our goal is that this becomes an avenue to bring hope and resources to our community along with bringing a greater awareness to Gun Violence in the city of Columbus.

DECEMBER 2023 EVENT RECAP

LAUNDRY DAY

The WWMD hosted our first Laundry Day the weekend of Christmas which was a great success. Our team partnered with the Owners of SC Wash and Tan to provide free washes and dry's for all who came during our time period. Special thanks to Michelle owner of SC Wash & Tan who matched us in funds to provide free services to the community.

PURO CLEAN CHRISTMAS PARTY

Our CEO and COO were invited to the Christmas Party of one of our partners PuroClean. Our CEO and the Owner of PuroClean even challenged each other to a game of Pickleball. PuroClean provides services in water damage restoration, mold removal, biohazard cleanup and restoration and smoke and fire restoration. We are so excited to continue our partnership in 2024 with the great people at PuroClean.

POP UP

The WWMD team had the opportunity to participate in a pop up at the Eloise Center located on the Westside of Columbus. The Pop up provided space for us to tell our story but also share resources to those in need.

JANUARY 2024 EVENT RECAP

MONDAY'S MOTIVATIONAL PODCAST

We started our podcast on January 1, 2024 and it has been airing every Monday at 9:11am since. The ultimate goal for this podcast is to encourage our listeners to start your week off on a positive note and let the content of the podcast carry you through the week. Each month we choose a theme with different speakers through the week to remind us to stay positive and encourage us to keep moving forward. Our podcast can be found on YouTube at youtube.com/@wwmd614

BOWLING FUNDRAISER

We hosted our first Bowling fundraiser with over 8 lanes of bowling. We were able to bowl for 2 hours, play a game of laser tag, and enjoy pizza all for \$35. Our dedicated supporters had a great time and with their support we were able to bring awareness to our cause, provide resources, and raise funds to continue our mission all while having a great time. THANK YOU!

LAUNDRY DAY

The response of the very first Laundry Day was successful and the WWMD team decided to come back again to SC Wash & Tan to help even more families to wash and dry for FREE! The owners of SC Wash & Tan agreed for us to come back and match the funds we brought. We would never be able to do this without the donations of our supporters. We appreciate you!

OPEN HOUSE

We hosted our First SUBSCRIBER ONLY Open House and was a great success. We were able to give all who are our subscribers the “inside scoop” of what 2024 looks like for us. Those in attendance were able to ask questions and give input about services we offer and suggestions for services we could look at offering. All in all it was a great day. Special thanks to all who attended.

FEBRUARY 2024 EVENT RECAP

POP UP

The WWMD team was scheduled to do a pop up but then snow hit the city. Others thought we shouldn't be out there but as the team consulted each other we couldn't help but ask the question "What Would Marcus Do?" The decision was unanimous to continue with the plan to serve the community as Marcus would do. There were times Marcus had to walk in the snow with trash bags covering his socks inside his shoes so that he could do his job. We felt it necessary to serve and that we did in the cold with a smile.

MEET AND GREET

Our CEO, COO, and CFO got to meet some very nice and influential people at the Columbus Nonprofit Leaders Meet, Greet and Chat. We were able to talk one on one with members of Columbus United Way a national nonprofit and Upic Solutions an organization that helps nonprofits with start up administrative tools, technology and more.

Women's History Month

going back to these points in time remind me of how great it was to be a little girl, full of ambition and purity.

As life goes on you play less and begin to see yourself in the fabric of the world and you wonder. What do I want to become? How will I achieve goals? Will I be married? Etc. You watch and/or learn about great women and not so great women before and during your time and wonder if you have it in you to stand as tall or do better than she. Then you start to go after whatever it is you envision. Some of us get there just as planned no real hiccups, and others of us have detours, unexpected situations that takes us in different directions. Nonetheless, through it all you inevitably become a woman. And with becoming this woman comes great charge, duty, obligation. Not always bad and not always good but it's ALWAYS there. You learn to live with your decisions and where they've taken you. You learn to be proud of yourself. You learn that you never stop achieving and you never stop failing. You learn that life becomes a continuum of love and heartbreak. You learn how strong you are, you learn how resilience is in your DNA.

You learn the power of positioning yourself to survive in the best of situations and in the worst. A great poet by the name of Morgan Harper Nichols once wrote that 'when it comes to strength and gentleness in life, there is room for both. Flowers with sturdy stems exist to support delicate petals, too, And through sun and rain...they bloom'. Allow Women's History Month to remind you of your playfulness, your imagination. Your aspirations and goals, your successes and defeats. And never forget your strength and your worth. You are needed in and out of time to carry on HER story. Then go and create YOUR story under the legacy of womanhood.

HAPPY WOMEN'S HISTORY MONTH
